# WEEKEND TOGETHER

The Waterloo Road Church 'Weekend Together' is a biannual event which brings the whole church together for teaching & fun activities.

The weekend is designed to:

- Provide strong applicable teaching
- Be a relaxed & enjoyable time
- Give an opportunity for everyone in the church to spend time together
- Allow the church to understand how it can act effectively as a body.
- Be applicable for the whole family

You will find the number of things to 'sign-up' for are at a minimum. The only thing we're asking you to sign up for is the Saturday night fish & chips evening.

The weekend will be based at the church & transport to all of the Saturday activities will be organised from there.

This booklet will act as your guide to the weekend & give you a flavour of each of the events.

## **There is no charge for the weekend.**

The church will be paying for all of the activities. *We would however, ask you to consider giving something to the church as a gift towards the weekend. As a guide, the costs for the church will be:*

<u>Friday</u>	
Barn Dance	£2.00
<u>Saturday</u>	
Pitch & Putt	£7.00
Cliveden Gardens	£7.00
Fish & Chips	£4.00

(Children are typically half the price)

*Gifts to the church are completely at your own discretion. They can be given through the offering envelopes if you would like the church to receive gift aid; otherwise there will be boxes for donations.*

Our speaker Paul John will be briefly introduced.

If you do not fancy having a dance, please still come along. This will be a great opportunity to spend time together as a whole church and also to chat to Paul and his wife, Julie, as our weekend begins.

The evening is expected to finish at around 9:30pm.

## Paul John

Some of you may remember Paul John from 6 years ago when he lead our weekend together in 2003. Since then Paul has moved to Grove Free Evangelical Church in Wantage. His wife Julie will also be joining us for the weekend. Do introduce yourself to them and give them a warm Waterloo Road Church welcome.

We are so excited that the WEC youth workers are able to do this because they are a team in such high demand. This is something that is not to be missed!
